Erasmus+ in Italy: 3 Study Programs

Computer Science & IT at partner universities of EKA (Siena, Milano-Bicocca, Roma Tre)

3 Italian Universities Covered

1. University of Siena (Siena) - MSc AI & Automation Engineering (English, Confirmed EKA IT Partner)
2. University of Milano-Bicocca (Milan) - MSc Computer Science (LM-18) [Confirm IT agreement with EKA]
3. Roma Tre University (Rome) - MSc CS Engineering & AI (LM-32) [Confirm IT agreement with EKA]

CLASS DISCUSSION * OPEN QUESTION

Discussion Hook

If you could study anywhere in Europe for one semester and pay no tuition, where would you go?

Three Hints for the Class

* Hint 01: a new country
* Hint 02: new friends
* Hint 03: real IT experience

-> Closing cue: "Today I show you Italy."

Ask 2-3 students for answers, then transition to Latvia & Italy.

About Latvia: Our Starting Point

From Riga to Italy (RIX -> IT)

5 Verified Facts About Latvia

* Capital: Riga, on the Baltic Sea
* Member of the EU since 2004; currency: euro (since 2014)
* Population: about 1.9 million (approx.)
* Riga Historic Centre is a UNESCO World Heritage Site
* EKA University of Applied Sciences is in Riga

What is Erasmus+?

EU programme for education, training, youth and sport (1 CFU = 1 ECTS)

4 Key Stat Cards & Deadlines

* 2-12 months study period abroad
* 0 EUR tuition at the host university
* 30 ECTS credits per semester
* 7.0 minimum average grade at EKA (Apply in October and March)

University of Siena - Siena, Italy

MSc Artificial Intelligence & Automation Engineering | Language: English

3 Main Courses, Campus, Cost & Extra

* Courses: Artificial Intelligence (9 ECTS) | Machine Learning (6-12 ECTS) | High Performance Computer Architecture (9 ECTS)
* Campus: San Niccolo engineering & robotics labs in historic Siena
* Cost & Medical: approx. 600-950 EUR/month * EHIC card + insurance
* Extra: Siena International Excellence Scholarships (degree students)

University of Milano-Bicocca - Milan, Italy

MSc Computer Science (LM-18) | Language: English & Italian (B2 English)

3 Main Courses, Campus, Cost & Extra

* Courses: Advanced Machine Learning (6 ECTS) | Large Scale Graph Algorithms (6 ECTS) | Data and Text Mining (6 ECTS)
* Campus: Modern Bicocca district (Buildings U12 & U14 CS labs)
* Cost & Medical: approx. 900-1,300 EUR/month * EHIC card + insurance
* Extra: B2 English required * Confirm IT agreement with EKA Erasmus coordinator

Roma Tre University - Rome, Italy

MSc Computer Science Engineering & AI (LM-32) | Language: Italian + English course units

3 Main Courses, Campus, Cost & Extra

* Courses: Algorithms for Big Data (6 ECTS) | Cybersecurity (9 ECTS) | Internet and Data Centers (9 ECTS)
* Campus: Ostiense urban campus with computer & network labs
* Cost & Medical: approx. 850-1,200 EUR/month * EHIC card + insurance
* Extra: English course units available * Confirm IT agreement with EKA Erasmus coordinator

Comparison of the 3 Universities

Compact Table + Monthly Living Cost Midpoints

Comparison Table & Cost Chart

1. University of Siena | English (Full MSc) | approx. 600-950 EUR (775) | High (AI/ML/HPC, EKA IT) | Medieval student town
2. Milano-Bicocca | EN & IT (B2 EN) | approx. 900-1,300 EUR (1100)| High (ML/Graphs, Check) | Big tech & business hub
3. Roma Tre University | IT + EN units | approx. 850-1,200 EUR (1025)| High (Big Data/Sec, Check)| Capital city & culture

Midpoints: Siena 775 EUR/mo vs. Roma Tre 1,025 EUR/mo vs. Milano-Bicocca 1,100 EUR/mo.

FINAL DECISION * STAMP: MY CHOICE

Which is the best choice?

Out of 3 Erasmus+ universities, I choose Siena.

3 Verified Reasons Why I Choose the University of Siena

1. English-Taught IT & Confirmed EKA IT Partner (AI 9 ECTS, ML 6-12 ECTS, HPC 9 ECTS)
2. Lowest Monthly Living Cost: approx. 600-950 EUR/month (midpoint 775 EUR)
3. Compact Student City & Scholarships: San Niccolo robotics labs + Siena Excellence Scholarships

Fair note: Milan is strongest for big-city careers; Rome offers capital-city culture.

Thank you! - Any questions?
